ADDITIONAL CONTEST RULES:

1. Counties are encouraged to have a local/county contest so that 4-H members may practice before District. Senior 4-H members must participate in District to qualify for State.
2. All teams members must be from the same county. Counties may enter as many teams as they wish in the District contest in each division. **In State contests that allow three entries, the top three (3) teams will advance, of which one, two, or three entries could possibly come from the same county within the District. Mixing of individuals from various counties to create district "all star" team(s) is not allowed.**

3. **SUBSTITUTIONS:** Only the 4-H members and the number of 4-H members who qualify at District - qualify for State. **Substitutions should be used only as a means of keeping a team active when members have been forced to drop out for unexpected reasons.** Substitutes must be 4-H members who have competed at competition at the District level in other contests and have been certified as District level participants. All substitutions for State must be approved by the respective District Leadership Team. Final judgment on necessity of substitution will be made by Roundup Administration. This substitution rule will be upheld for any team advancing to a National competition (only the number and members qualifying will be eligible to participate). Substitutions in entries involving teams (two or more members) may be made as follows:

<u>TEAM SIZE</u>	<u>MAXIMUM SUBSTITUTIONS</u>
2 or 3	1 member
4 or 5	2 members
6 or 7	3 members
8 or 9	4 members

5. **PRIOR COMPETITION:** 4-H members are **not eligible** to enter a contest in which they have previously been part of a **first place entry** at State.
