TEXAS 4-H AND YOUTH DEVELOPMENT PROGRAM DIRECTOR MESSAGE - Dr. Chris Boleman
We look forward to seeing you at the 2013 Texas 4-H Roundup! Hopefully you are as excited as we are about this year's event! We know you put in a great deal of time and work to get here! Because of that, it is our job to ensure you have a great contest experience and an even better time during the entire week's festivities. That is why we are committed to trying and adding new opportunities to enhance your experience. So, to learn about some of these things, please make sure you bookmark the website: http://texas4-h.tamu.edu/roundup. This is where you can keep up and learn some of the cool and innovative activities that YOU can be a part of at the 2013 Texas 4-H Roundup.

Remember, your level of involvement is up to YOU! So, don’t miss out! Attend the assemblies, participate in your events, learn from some of the programs, and MOST IMPORTANTLY, get to know your fellow 4-Hers from all across Texas! The friendships and the memories will LAST FOREVER!

I am hopeful you will enjoy your time in the Bryan / College Station area. The community and Texas A&M University are working closely with us to ensure that we have a very successful Texas 4-H Roundup. It is going to be AWESOME!

WELCOME TO THE 2013 TEXAS 4-H ROUNDUP!!!
Texas 4-H Roundup; the best state wide 4-H event! The first year I participated in Roundup I wasn't sure what to expect, but when it was over I was truly awestruck, and I'm sure you will be too. Having Texas 4-H Roundup at Texas Tech in Lubbock was a great experience, but moving back to College Station is just like "coming home". One of the most exciting changes this year is moving the assemblies back to Reed Arena where the Texas Aggies play their basketball games. Also, on the Monday before the kick off of Roundup, the Texas 4-H Foundation awards over two million dollars to 4-Hers from all across the state! From the speaking events, judging contests, Share the Fun, and dances every night, Roundup is a blast! You will have a great time with your friends and meet many new ones that will stick with you for the rest of your life, but when it all comes down to it, Roundup is whatever you make it. I'm going to make it great, are you?

WHAT IS TEXAS 4-H ROUNDPUP?

Texas 4-H Roundup is the culmination of years of hard work and dedication for youth throughout the State of Texas. It is designed to supplement the county 4-H program and project work. Each year contests are held throughout the counties, each of the twelve AgriLife Extension districts, and at the state level. This event has been held in College Station, Texas since its inception. However, for the first time it will be hosted in Lubbock, Texas. Over 4,000 youth and adults attend the event each year. Roundup consists of approximately 50 individual competitive events. The majority of these events require each individual or team to qualify at the county and district level. However, Texas 4-H Roundup now offers thirteen invitational style contests that allow intermediate and senior 4-Hers to participate without having to qualify. Roundup is scheduled to officially begin Monday, June 10, 2013 and end Friday, June 14, 2013.

TEXAS 4-H ROUNDPUP OBJECTIVES

• To perpetuate the reputation of Texas 4-H and Youth Development as a major statewide educational program.
• To select winners in presentations and certain activities through state contests.
• To provide recognition for project, activity, and scholarship winners of 4-H members and adult volunteers.
• To provide opportunities for 4-H members and adults to network through recreational and social experiences in order to improve their knowledge of 4-H opportunities.
• To provide 4-H members the opportunity to compare the skills they have gained with those of other members and with their own previous performances.
• To provide 4-H members with an opportunity to develop and practice citizenship and leadership skills in a different environment.

HISTORY OF TEXAS 4-H ROUNDPUP
Texas 4-H Roundup began in 1946. At that time, 4-H members (boys and girls) were selected to attend a short course, compiled of workshops dealing with issues of rural America, (Texas 4-H Roundup) on the campus of the Texas A&M College in College Station. This included items such as electrification of rural America and the latest in canning and food preservation techniques.

Many of the youth that participated in the early years arrived via the railroad. This was by far the most efficient mode of transportation at the time. A man from Abilene noted that he can remember the Roundup train coming through Abilene from the Texas Panhandle, continually adding railroad cars as it made each stop toward College Station. Without question, this is quite a change from the modern way of arriving at Texas 4-H Roundup in suburbans and pick-ups. Similar to participants today, 4-H members were housed in the dorms on campus. However, these early participants roomed in tents on the grounds of the Corp of Cadets area and later, in the actual dorms.

As time progressed, Texas 4-H Roundup continued to change in order to address the emerging issues and needs of the time. Some examples included: addressing techniques in the canning of food products and teaching 4-H members proper techniques of bomb drills and bomb shelter preparation, during times of war. All subject areas were taught with the overall goal for youth to return home and teach others.

One of the most unique components about Texas 4-H Roundup in the early years is that all participants wore 4-H uniforms and all the workshops were conducted outdoors. One of the most notable outside facilities used were the Kyle Field bleachers.

In the late 1950’s and early 1960’s, Texas 4-H Roundup began to take on a new look and format. This included more contest orientated events with competitive activities being held in subject areas such as, food preservation and safety, beef cattle, public speaking, and clothing instead of the teaching workshop format. Then, in the late 1960’s, the Houston Livestock Show and Rodeo began awarding scholarships to Texas 4-H youth. This presentation was eventually incorporated as a major component of the General Assembly during Roundup. Today, more than 2 million dollars in scholarships are presented through the Texas 4-H Youth Development Foundation during the Scholarship Assembly at Roundup.
Throughout the 1980’s and 1990’s, Texas 4-H Roundup hit a high point by offering 43 different competitive events that 4-H members could qualify for through their district events. The 1990’s included the development of the Teens of Texas Acquiring Leadership Program which encouraged more diverse groups of county representatives to participate in leadership training during the week. These individuals were then recognized on the last day of Roundup.

As national sponsorship became a higher priority and the focus of the 4-H program began to involve an equal number of urban and rural youth alike, the contest list changed as well. The contests were placed into an evaluation format where participation was reviewed each year. This allowed for older, out-of-date contests to retire and allowed for new contests to be introduced.

Throughout the years, Texas 4-H Roundup has been a venue to celebrate the success of 4-H youth and volunteers in Texas and throughout the United States. Some highlights throughout the years include the making of a human “ATM” and “Clover” on the turf of Kyle Field, BBQ served on the drill field for all the participants, rally speakers such as Captain Scott O’Grady, and celebrations of many milestones of the Texas and National 4-H Programs.

ELIGIBILITY AND PARTICIPATION RULES FOR ALL TEXAS 4-H ROUNDUP CONTESTS

MEMBERSHIP: Participants must be currently enrolled 4-H members in a Texas 4-H and Youth Development county program.

AGE: Participants must have passed their 14th but not their 19th birthday before August 31, 2012. Participants must have been born during the period beginning September 1, 1993 and ending August 31, 1998. Intermediate 4-H age members (Ages 11 to 13, Birth Dates between: September 1, 1998 – August 31, 2001) are allowed to participate in the following events: 4K For 4-H Walk and Run, 4-H Recipe Rally, Invitational Livestock Judging Contest and Workshop, Healthy Lifestyles Invitational and Workshop, Wildlife Challenge, Ag Products Identification Contest, Discover Scientific Method: Science, Engineering, & Technology Poster Competition, Invitational Poultry Judging Contest, Invitational Meats Judging and Identification Contest, Invitational Swine Quiz Bowl, Swine Skill-a-thon, and the Vet Science Skill-A-Thon.

ENTRY: Entries not officially entered will not be permitted to participate for any reason.

PRIOR PARTICIPATION: To be eligible to participate in qualifying contests, 4-H’ers must participate at the district competition.

NUMBER OF ENTRIES: Each district is allowed to enter the following:

QUALIFYING ENTRY: A 4-H member must present/enter the same entry for which they qualified at district at Texas 4-H Roundup.

NON-QUALIFYING ENTRY: The following contests do not require individuals to qualify at district level contests: 4K For 4-H Walk and Run, 4-H Recipe Rally, Invitational Livestock Judging Contest and Workshop, Healthy Lifestyles Invitational and Workshop, Wildlife Challenge, Discover Scientific Method: Science, Engineering, & Technology Poster Competition, Invitational Poultry Judging Contest, Invitational Meats Judging and Identification Contest, Invitational Swine Quiz Bowl, Swine Skill-a-thon, Ag Products Identification Contest, and the Vet Science Skill-A-Thon.

NUMBER OF TEAMS ELIGIBLE FOR STATE COMPETITION: In contests that allow three entries, the top three (3) teams will advance, of which one, two, or all three entries could possibly come from the same county within the district (i.e. all three teams can be from the same county). Mixing of individuals from various counties to create district “all star” team(s) is not allowed.

NUMBER OF INDIVIDUALS ELIGIBLE FOR STATE COMPETITION: In judging and identification contests, the three highest scoring individuals in the district contest may participate. A county is allowed to advance a maximum of two (2) individuals in a judging or identification contest. If a county has three individuals wishing to compete at the county/district level they must be declared as a team entry. EXCEPTION - Horse, Beef and Nutrition Quiz Bowls do not allow individual entries.
ENTRY COMPOSITE: All team members must meet the Texas 4-H Program eligibility requirements and be currently enrolled 4-H members from the same county 4-H program. Contestants must have competed at the district level to be eligible for a state qualifying position. Contests considered non-qualifying or invitational do not require individuals to compete at district contests, but participants must be intermediate or senior 4-Hers.

NUMBER OF CONTESTS A 4-H MEMBER CAN ENTER: A 4-H member can only enter one (1) contest per day at Texas 4-H Roundup. Only one entry in the Share-the-Fun contest is allowed, regardless of the competition day. The only exception to this rule is the Fashion Storyboard Event. Individuals may enter both the Fashion Storyboard Contest and another contest on the same day.

SUBSTITUTIONS: Only the 4-H members and the number of 4-H members, who qualify at district, qualify for state. Substitutions should be used only as a means of keeping a team active when members have been forced to drop out for unexpected reasons (i.e. major illness, death.) Substitutes must be 4-H members from the same county, who have competed at competition at the district level in other contests and have been certified as a district level participant.

All substitutions for state contests must be approved by the respective District office, which will make final judgment on necessity of substitution. This substitution rule will be upheld for any team advancing to a National competition (only the same number and the same county 4-H members qualifying will be eligible to participate.) Substitutions in entries involving teams (two or more members) may be made as follows:

TEAM SIZE MAXIMUM SUBSTITUTIONS:

</tr>
<tr>
<td>6 or 7</td>
<td>3 members</td>
</tr>
<tr>
<td>8 or 9</td>
<td>4 members</td>
</tr>
</tbody>
</table>

Substitutions of team members may involve a monetary fee depending on the time of substitution.

PRIOR COMPETITION: 4-H members are not eligible to enter a contest in which they have previously been awarded a first place entry at State or represented the Texas 4-H and Youth Development Program in a recognized national contest. In Share-the-Fun, first place winners may not enter the same category in which they have previously been awarded a first place entry at State. However, they may choose another category. 4-H members are eligible to enter an invitational contest in which they have previously been awarded a first place entry. 4-H members are not eligible to enter the 4-H Food Challenge if they previously were a part of a team that placed first in the Final Food Challenge. 4-H members that were a part of a first place team for a category (and not the Final Food Challenge) are eligible to compete again. 4-Hers winning first place in a Fashion Storyboard category may participate in a different category the following year.

RECOGNIZED NATIONAL CONTESTS:
4-H members that have participated in any of the following National contests, either by placing 1st at Texas 4-H Roundup or being substituted in, are not allowed to participate in that related Texas 4-H Roundup event. (i.e. if a 4-H member participates in the Western National Roundup Horse Quiz Bowl, they are not allowed to participate ever again in the Texas 4-H Roundup Horse Quiz Bowl).

The Texas 4-H and Youth Development Program recognizes the following contests as a NATIONAL contest:

- Consumer Decision Making
- Dairy Judging
- Horse Judging
- Livestock Judging
- Meat Judging & Identification
- Wool Judging

Western National Roundup
World Dairy Expo
All American Quarter Horse Congress
North American International Livestock Expo
American Royal
National Wool Judging
COLLEGE STUDENTS: Contestants may not qualify for a Texas 4-H Roundup competitive event if they are undergoing or have participated in training in preparation for official post-secondary (university, college, junior college or technical school) competitive events or course work of a similar nature and in the same subject-matter area. 4-H members qualifying for a national contest must also adhere to this rule until the completion of the national contest. Verification of this will be done through official transcripts, post-secondary class catalogs (or syllabus), and/or conversations with class instructor(s).

ANNOUNCEMENT OF RESULTS: All results are final once announced.

PHOTOGRAPHS AND VIDEOTAPING: Photographing and videotaping equipment are not allowed in contest rooms and/or facilities during the contest unless used as props in a presentation. Contest Superintendents will take up and hold all photography and videotaping equipment found in contest rooms and/or facilities until completion of contest. 4-H members, parents, leaders, coaches, and/or county Extension agents caught taking photographs or videotaping contestants may result in a disqualification of an entry.

PAGERS, CELLULAR PHONES, LASER POINTERS, PDA’S, SMART PHONES, ETC: Items that may be disruptive to the presenter or judges are strictly forbidden in ALL contest rooms or facilities.

FIREARMS, WEAPONS, FIREWORKS, OPEN FLAMMED BURNERS AND/OR AMMUNITION: No firearms, weapons, fireworks, open flamed burners or live ammunition are allowed to be used in any Roundup contest. However, posters and pictures of such items are encouraged and allowed. This does not apply to the Indoor Rifle Match where a participant may possess the appropriate firearm for that event, if it is in a location where firearms are allowed.

AMERICAN WITH DISABILITY ACT: Individuals with disabilities who require an auxiliary service, special dietary needs, or accommodation in order to participate, will need to request their needs via Roundup registration on 4-H CONNECT.

USE OF COMBUSTIBLE, FLAMABLE, FLAMES, OR PRESURIZED ITEMS/PROPS: No items and/or props that are combustible, flammable, or under extreme pressure can be used in any Roundup Contest. This includes camp stoves, propane tanks, and/or open flames.

The Texas 4-H and Youth Development Program reserves the right to modify or change rule(s) for the purpose of clarification and/or understanding.

Participation Guidelines for Educational Presentations

TOPIC SUBJECT: Subjects in the Educational Presentations should address emerging or current issues in each of the contest areas. Some contests provide a suggested list of topics that the Educational Presentation talk can cover along with a resource list. Senior contestants are encouraged to research these emerging and/or current areas to develop current and new presentations.

ACCURACY OF INFORMATION/RESOURCES: With the computer and internet being used heavily in Educational Presentations, 4-H members must know the difference between research and non-research based information.

Contestants are required to use information that is factual and can be supported through adequate documentation. Examples of such websites are federal, state, and local governments, independent research sites, and Texas AgriLife Extension Service websites. Internet information that is questionable includes personal documentation sites, chat rooms, message boards, etc.
4-H members should prepare a list of references (i.e. bibliography, works cited) for their presentation.

SUBJECT MATTER: The skills and knowledge used in any 4-H contest should be the result of experiences in a project in which the member has participated. A presentation should relate to the contest entered, should contain current information, and should not be better suited for another contest. It should also be appropriate for the member’s age and experience. Appropriate credit should be given for references used.

TIME LIMITS: A time limit of 12 minutes will be allowed for each Educational Presentation. An additional nine (9) minutes will be provided for on-stage arrangements and cleanup in connection with the presentation. A penalty of two points per minute or partial minute overtime will be deducted from the final score.

VISUALS: The use of charts, photographs, computer graphics/programs, and other visual materials are permitted. Visuals should contribute to the presentation. Each presentation is an example of the participant’s ability to communicate an idea.

JUDGES’ QUESTIONS: Judges and/or Superintendents may ask contestants’ questions at the end of their presentation. This will be done on the judge’s time. Only official judges and superintendents may ask questions of the contestants.

SCORECARDS: 4-H Educational Presentation Score Sheet, 4-H 3-5.041 (Revised Aug. 2005) will be used by contest judges in scoring Educational Presentations regardless of presentation style (method demonstration, illustrated talk, or speech.) Separate scorecards are used in Public Speaking and Share-the-Fun. All score sheets are available on the Texas 4-H and Youth Development publication website.

JUDGES GIFTS/HANDOUTS: Gifts (of any kind) may not be presented to the judges in any contest. Handouts may be made available to the entire audience.

VIDEO, AUDIO, AND DISPLAY EQUIPMENT: The State 4-H Program and/or superintendents will be providing laptops, screens, extension cords and projectors for 2013. Youth should have all presentations in some form of Microsoft Office 2003 (PowerPoint, Word, or Excel.) All fonts used should be true type; these specifically include Arial and Times New Roman. If youth decide to use any other program or fonts youth will be responsible for bringing all equipment that is compatible with their presentation.

Participation Guidelines for Judging/Identification Contests

TIES IN JUDGING CONTESTS: Ties in all judging contests will be broken by oral reason scores where applicable. If oral reasons are not applicable, the contest superintendent will announce the tie breaking class(es) or procedure prior to the beginning of the contest.
CONTEST/EVENT DESCRIPTIONS

State 4-H Roundup Trade Show
The State 4-H Roundup Trade Show will give youth and adults the opportunity to visit with businesses and colleges from across the state. The trade show will give youth the opportunity to discuss higher education opportunities and future career paths that are available. In addition, it will give youth and parents the chance to visit with businesses that support 4-H and its mission.

Texas 4-H Roundup Logo and Theme Contest
Winner Kaley Yorgensen (District 5, Houston County)
Theme Where the Best Just Got Better

The Texas 4-H Logo and Theme Contest gives a 4-Her or group of 4-Hers the opportunity to develop the theme and logo for the 2013 Texas 4-H Roundup.

Dairy Cattle Judging Contest
(January 20, 2013 – Fort Worth Stock Show)
Superintendent Mr. Kyle Merten, Mrs. Laura Huebinger, and Whit Weems
Entry Team of 3 or 4 4-H members (Qualifying Seniors only)

There will be ten placing classes. Typically five cow classes and five heifer classes. Four sets of oral reasons on cow classes are required. No printed material may be used as an aid during the contest. Ties will be broken based on reasons, cow classes, overall individual score and team scores (in that order of priority.)

4-H Roundup Indoor Rifle Match
(June 7-9, 2013 – Victoria)
Superintendents Mr. Larry Hysmith
Entry Team of 3 or 4 or an Individual (Senior 4-H member)

This contest allows the top senior teams and individuals from their respective district matches to compete in the State Roundup. Over the course of three days, participants fire a half course three-position match (20 shots/position).

The top three senior teams of three (3) or four (4) shooters in each district rifle match are eligible to represent their county and district at the 4-H Roundup Indoor Rifle Match. The top three senior individuals in each district match may (if they are not members of one of the qualifying teams) compete in the match as individuals only.

All members of a team winning first place at this match are no longer eligible for future competition in this event. Individuals who have previously won high individual placing at this match are no longer eligible to compete for high individual honors in another year, however they may compete as team members. Scores fired by these individuals will be recognized in the awards ceremony but they are not eligible for the high individual finals round or for any awards that may be associated with the high individual recognition.

Resources and Additional Information:
Rules and procedures for this contest are posted on the Texas 4-H Website (http://texas4h.tamu.edu/shootingsports/events);

Healthy Lifestyles Sweepstakes
The 4-H Healthy Lifestyles Sweepstakes provides an opportunity for youth, volunteers, and county Extension agents interested in working together for additional recognition. Points for participation and additional points for contest placing, will be given for the following healthy lifestyles related contests:
• Nutrition Quiz Bowl
• Food Challenge
• Food Show
• Focus on Health Educational Presentation
• Open – Family & Consumer Sciences Educational Presentation
• 4-K for 4-H Walk & Run (non-qualifying event)
• Healthy Lifestyles Invitational and Workshop (non-qualifying event)
• Recipe Rally (non-qualifying event)

Qualifying Events:
• Points are awarded for teams (or individuals) participating and placing in the top ten of each healthy lifestyles contest.
  • Participation Points: Counties will receive one point for each 4-H member participating in a healthy lifestyles contest
  • Placing Points: First place teams (or individuals) will receive 20 points, with a sliding scale used through 10th place (10th place will receive 11 points.)
  • Note: For the Nutrition Quiz Bowl, points will only be given to the top four teams, utilizing the same point value system used for all other qualifying events.

Non-qualifying Events:
• Participation Points: Only participation points will be given for the 4-K for 4-H Walk & Run. Placing points will not be awarded. Counties will receive one point for each participant (intermediate and senior youth, adult volunteers and CEAs) that completes in the 4-K for 4-H Walk & Run, with a maximum of 30 participation points awarded to a county.
• Participation Points: Counties will receive one point per 4-H member (intermediate and senior) entered in the 4-H Healthy Lifestyles Invitational with a maximum of twelve participation points awarded to a county. **Contest #3: Beef Quiz Bowl**  
Superintendent: Dr. Kevin Chilek  
Entry: Team of 3 or 4 4-H members

Beef Quiz Bowl is an exciting, fast paced opportunity for youth to display their knowledge of the beef industry and the science surrounding beef cattle. The bowl is played as a double elimination tournament with teams of three to four players going head-to-head for top honors. Each district may enter up to three teams. The contest will follow the rules and procedures listed in the 1999 revision of the Texas 4-H Quiz Bowl Guide, 4-H 3-2.020.

**Contest #4: Fashion Storyboard Contest**  
Superintendent: Mrs. Angela McCorkle  
Entry: Team of 1

The 4-H Fashion Storyboard is an industry-inspired method of displaying original designs. The best storyboards create vivid visual images that are interesting and appealing to viewers. The storyboard “tells the story” of the designer’s idea. The storyboard includes original illustrations and flats, as well as additional materials (such as photos from the internet or magazines,
paper, fabric swatches, patterns, etc.) that have influenced the unique design. 4-H members winning first place in a Fashion Storyboard category may participate in a different category the following year.

**Contest #9: Texas Agricultural Product Identification Contest Invitational**
Superintendent Dr. Billy Zanolini & Ms. Amy Dromgoole
Entry (Non-Qualifying) Team of 3 to 4 and individual 4-H members (open to all Intermediates and Seniors)

This contest will give youth the opportunity to further their knowledge and skills when evaluating agriculture products grown in Texas in a contest setting. For the Ag Products Identification Contest 20 Texas agricultural products are selected and exhibited at separate stations. Contestants select the correct identification of each product from four possible answers. Following, the product identification, each station has one multiple-choice question pertaining to the product on display. Questions can be general to the industry that produced the product, (i.e. Texas’ national ranking, economic impact to Texas, general nutrition content, region of production) and specific to the individual product that is on display (i.e. cooking method, use, growing season, specific nutrition of the cut or variety). Contestants are given 40 seconds at each station to answer both questions. Please refer to the Product list for suggested products and the resource guide for study materials. Products and resources are listed in the sample rules and the Agricultural Products Manual.

The purpose of this contest is to: 1) encourage 4-H members to develop promotion and marketing skills as they market and interpret 4-H through various types of media and presentations, 2) increase the promotion of 4-H to non-4-H audiences in Texas, and 3) increase the number of people who join and support the 4-H program. The 4-H promotion should convey a contemporary image of 4-H in a changing society. Promotional methods might include: radio, television, illustrated talks, method demonstrations, newspaper, posters, projected images, exhibits, photographs, slide/tape presentations, puppets, PSA’s, speeches, drama, skits, videos, computer programs, etc. Contestants identify a non-4-H audience and demonstrate a promotional method which communicates the ideas or ideals of the 4-H program. Before entering this category be sure presentation does not fit any other related educational presentation category.

Contest #38: Public Speaking
Superintendent Mr. Luis Saldana
Entry Team of 1 4-H member
Individuals will present a 5-to-7 minute talk suitable as a platform speech or radio broadcast. The presentation should serve to persuade others regarding a particular issue or concern. Contest #41: Share-the-Fun

Superintendent: Mrs. Laura Huebinger
Entry: INDIVIDUAL OR GROUPS from 2 to 9 members
6 Categories:
- Poetry/Prose
- Vocal
- Musical -- Instrumental
- Solo/Band Performance
- Choreographed Routines
- Celebrate 4-H

General Information:
- A total of 6 categories will be implemented for the 2012 contest.
- The first and second place district winners in each of the six (6) categories qualify for State 4-H Roundup.
- The first and second place entries in each category from District advancing to State may be from the same county. This is consistent with other Roundup contests (except Food Show and Fashion Show.)
- If a county has an entry in each category at District and each wins first or second, then they can all advance to State.
- 4-H’ers may not enter the same category in which they have previously been part of a first place entry at State; however, they may choose one of the other categories.
- Participants must compete with the same material at all levels of competition – county, district, and state. For example, you cannot choose one song for your act and then change songs between district and state. Acts may fine-tune performances based on critiques from county and district judging, but changing material completely is prohibited.
• The Share The-Fun-Contest will be held on Thursday, June 13, 2013. Youth may only compete in one Share-The-Fun Category.
• Location for the event will be Rudder Theatre, Rudder Auditorium, and Rudder Forum.

OBJECTIVES:
• To provide an opportunity for 4-H youth to develop a spirit of cooperation through working together to develop self-confidence through public appearance.
• To stimulate interest and encourage a broad-based recreation program in Texas 4-H at the club and county level.
• To encourage 4-H members to discover and develop their talents.
• To provide for social, cultural, and leadership development of 4-H youth.

Number of Entries Allowed Per District: Districts may advance the first and second place entries in each category to State. Entries in each category may be from the same county.

CATEGORY DESCRIPTIONS:

**POETRY/PROSE** – maximum of nine (9) participants. Acts which showcase poetry or prose are required. The act may NOT incorporate vocal, musical, and/or choreographed routine. This category does not require 4-H related material, however, if an original poem or prose piece showcasing 4-H is written, this would be acceptable. Every 4-H member entered in the category must be a part of the performance on stage. All material must be memorized. No script may be used during the performance. Judged on material chosen, message, talent, presentation, style, props/costuming. Four (4) minutes total for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

**Defining Poetry and Prose**: Poetry is generally characterized by structured meter and rhyme that tells a story or provides a message to the reader. Another description might be an excerpt from a larger piece such as a play or book. Prose is distinguished from poetry by its greater variety of rhythm and its closer resemblance to the patterns of everyday speech.

**VOCAL** – maximum of nine (9) participants. Vocal presentation may be done a cappella or with an accompaniment CD/tape. No accompanist will be allowed for this category. All members in the act must be singing. No lip sync will be allowed. Contestants may not present skits, poetry, or other speaking during the act. They may, however, move around the stage and incorporate choreography with their presentation for the purpose of enhancing their showmanship. Sign language may be added to enhance the performance, but entries that strictly showcase sign language without vocal presentation are not permitted in this category. These must be entered in Choreographed routines. Judging will be based on talent, showmanship, vocal presentation, and material chosen. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

**MUSICAL** – 1 to 9 participants. Musical presentation may be musical instruments accompanied by background tape or an instrumental performance only. No accompanist will be allowed for this category. All members in the act must be singing. No lip sync will be allowed. Participants may not sing or incorporate a skit, poetry, prose, or choreography with their act. Judged on talent, showmanship, musical presentation, and material chosen. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

**SOLO/BAND PERFORMANCE** – 1 to 9 participants. All 4-H members entered in the category must be a part of the act by playing a musical instrument, singing, or both (solo performance must play an instrument and sing.) Participants MUST incorporate singing in the acts, but cannot incorporate skits, poetry, or prose. They may, however, move around the stage and incorporate choreography with their presentation for the purpose of enhancing their showmanship. Judging will be based on talent, showmanship, musical presentation, vocal presentation when applicable, and material chosen Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

**CHOREOGRAPHED ROUTINES** — maximum of nine (9) participants. No speaking to form a skit or story line. The act requires choreography and can be demonstrated through twirling, pom pom squad routines, jump rope teams, basketball dribbling exhibitions, or dance (jazz, tap, country & western, ballroom, etc.) Sign language presentations to music have been added to choreographed routines. However, if a participant is SINGING and SIGNING, this entry should be entered in the Vocal Category. All 4-H members entered in the category must be a part of the act. Acts may use taped music on CD or cassette tape but may not use an accompanist. Judging will be based on material chosen, talent, uniformity, creativity, showmanship,
costuming, and material chosen. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

**CELEBRATE 4-H – maximum of nine (9) participants.** May be a 4-H based story line promoting 4-H, community service, a project, or activity. This category may also address a specific youth issue and present ways in which this issue can be addressed through 4-H efforts. May incorporate music, vocal selections, and/or choreographed routines but these aspects cannot be more than half of the performance. Skits can be humorous, creative and make fun of but not degrade Extension employees or the 4-H program. All 4-H members entered in the category must be a part of the act. Judging will be based on material chosen, talent, creativity, showmanship, costumes, and props. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

**SCHEDULE:**

All Share-the-Fun events will take place in the Rudder Theatre Complex on the campus of Texas A&M University. The **TENTATIVE** schedule for the Share-The-Fun Contest will be as follows:

**Contest #42: Swine Skill-a-thon Team Contest**

Superintendents  Mr. Marcel Fischbacher Jr.
Committee  Brandon Dukes, Nathan Carr, Justin Hansard

Entry  Team of 3 or 4 members (non-qualifying intermediate and senior 4-H members)

The Swine Skill-a-Thon will consist of a preliminary round with a written exam and four “skills” stations. The top five individuals in each division will then compete in the finals. Seniors and Intermediates will give a two to five minute impromptu presentation on a topic assigned at the event.

**Preliminary Rounds**
1. **Written Exam - 100 points per person**
   a. Questions are derived from the vast amount of information available in the study guides as well as from knowledge and skills that can be obtained actually raising the project pig. The Exam will be made up of multiple choice or True/False questions. The test may have 100, 1 point questions or 50, 2 point questions.
2. **Skills Stations - 100 points per person**
   a. Four skill stations will be done individually by contestants. A score sheet will be provided with a total of 25 points for each station. The evaluator/station moderator can allow for partial credit at each station.

**Finals**
1. **Interview/Presentation - 100 points per individual**
   a. The top five individuals in each division will be called back for the finals. Juniors will take part in a five minute interview over the swine industry. A series of questions will be asked and they will be ranked based on their ability to accurately and confidently answer the questions. Intermediates and Seniors will be assigned a topic related to the swine industry and asked to prepare a five minute presentation related to that topic. They will have fifteen minutes to prepare.
Contest #43: Veterinary Science Skill-a-thon

Superintendents: Dr. Floron “Buddy” Faries, Mrs. Laura Huebinger, and Mr. Garry Branham
Entry: Individuals accepted through application process. Applications must be postmarked by Friday, March 16, 2013.

The Veterinary Science Skill-a-thon is an invitational contest for Intermediate and Senior age 4-H members who meet the minimum requirements. It is a competitive event designed to test the knowledge and skills that a 4-H member can gain through his or her involvement in a Veterinary Science project. There are four components to the contest. The Written Exam is to test the participant’s subject matter knowledge. The Skills Exam tests the hands-on or experiential learning and is the largest component of the contest. The Quiz Round requires participants to think on their feet, as well as analyze risks as far as losing points for incorrect answers, and this part is generally the most fun for the participants. Finally, the Communication portion of the contest helps to develop public speaking skills. Applications, contest rules, and resources will be made available no later than November 1, 2012 on the Texas 4-H website.

Contest #44: Wildlife Challenge

Superintendents: Mr. Larry Hysmith
Entry: (Non-Qualifying) Team of 3 to 4 4-H members (open to all intermediate and seniors)

The Wildlife Challenge covers material found within five 4-H Natural Resources projects; Wildlife Habitat Education Program (WHEP), Hunting & Wildlife Discipline in Shooting Sports, Entomology, Forestry, and Sportfishing.

Contestants will have the opportunity to explore all five of these projects while preparing for the contest. Contestant check-in will begin at 9:00 a.m. in the designated contest location. Awards will be presented on site following score tabulations and the associated educational program.

Contestants will compete as a county team of 3 or 4 or as individuals from a county. Contestants will compete within intermediate and senior age divisions. The contest consists of three parts as described below. Each part will be completed individually by each contestant. Each part may cover any or all of the specified information within the five 4-H Natural Resources project areas’ resources listed below.

Contest Parts -
Species Identification: Contestants will identify animals or trees from pictures or actual specimen such as leaves, skulls, skins, wings, specimen mount, tracks, etc..
Decision Making: Contestants will choose the best answers (multiple choice) to solve the issues within scenarios presented to them based on information pertaining to the five project areas.
Knowledge Quiz: Contestants will answer multiple choice questions and perform basic skills within the project area.
