The District 10 4-H Horse Show is scheduled to be held **June 15 - 16, 2022 at the Dripping Springs Ranch Park, Dripping Springs, TX.** Agents should carefully review the attached information and provide the packet to 4-H members/families so that they can register for the event.

NOTE: All AG/NR and 4-H Agents need to hold the dates of June 15-16 so that you don't schedule something over these dates! Agent assignments are included but are subject to change prior to the event! Even if you do not have 4-Hers participating, you will be expected to attend and help at the event.

Please remember that **ALL Horses must be validated by May 1, 2022** and there is a **validation fee** per horse. If a horse is being validated for more than one child in the family, that horse must only be validated one time but all children need to be listed for the animal. The process will be done on 4-H connect!

The District will offer the following **27 classes in Divisions that make up the Qualifying Show.** A 4-Her must show in at least one class in a Division in order to 'qualify' for the State 4-H Horse Show in that particular division. **A futurity project horse must be shown at District** in order to qualify for a futurity division at the State Show. Be sure to review the entire packet to see how the divisions are grouped and many more details on all the changes. We rely on the agents to pass ALL pertinent information on to the 4-H'ers so that they are prepared to register for the District and State Horse Shows.
