## ABOUT THIS CONTEST

The **4-H Storyboard** is an industry-inspired method of displaying original designs. The storyboard “tells the story” of the designer’s idea. The storyboard includes original illustrations, flats, and more to promote the design.

## CONTEST TYPE

### Invitational:

1. Counties may submit unlimited entries in each Storyboard category, per age division.
2. All 4-H Senior age division participants are eligible to participate in Texas 4-H State Roundup.

## CONTEST STRUCTURE

**Individual ONLY:** There are no team components to this contest, this is an individual contest only. Individuals will compete by submission of a 4-H Storyboard only. There will not be an interview.

## CONTEST RULES

---

1. **General Rules:** The District 10 Virtual 4-H Storyboard Contest will follow the Texas 4-H rules for all age divisions. State resources are linked below:
  - [2023-2024 Texas 4-H Storyboard Rules & Guidelines](#)
  - Additional Resources: <https://texas4-h.tamu.edu/projects/fashion-interior-design/>
2. **NEW! Design Brief:** *Dream*  
“Dream” serves as the ultimate source of inspiration for this fashion concept. The concept revolves around the multifaceted nature of dreams, whether they are the surreal visions that captivate a sleeping mind or the vivid aspirations that fuel the conscious soul. The fashion narrative will blur the lines between reality and reverie, creating a visual story that celebrates the ethereal and the tangible. This concept invites designers to translate the essence of dreams into fashion, evoking a sense of wonder, mystery, and endless possibility.
