

Helotes 4-H Wildlife Project

Helotes 4-H Wildlife Project 3D Archery Shoot – April 20, 2024

Dear Community Business Owner,

We are preparing for our fourth annual Wildlife Project 3D Archery Shoot fundraiser on April 20, 2024. The event will be held just north of Rio Medina, at 1825 CR 2615, on the Helotes Ag Youth Ranch property.

On behalf of the Helotes 4-H Wildlife Project we are requesting sponsorship for our 30 archery target sites. We are hoping to have 100 to 150 archery shooters. Our goal is to have a \$100 sponsor for each target site. If you would like to sponsor more than one site, that is also an option. Your company will be recognized at the target site with signage. This year we also have corporate sponsorship opportunities and belt buckles sponsorships.

_____ Yes, I want to sponsor a 3D Archery Site for \$100 minimum.

_____ Yes, I want to sponsor the 3D Archery Shoot as a corporate sponsor for \$500 - includes up to 4 archery shooters, signage for sponsorship, and social media recognition.

_____ I would like to sponsor a belt buckle for winning archery shooters (8 needed) Cost: \$150.00/each.

You can mail your donation to Helotes AG Booster Club, c/o Colleen King, 10811 Gallop Falls, San Antonio, TX 78254, or call / text 210-854-3201 and we can pick it up. Please make checks payable to Helotes Ag Booster Club. We are a nonprofit 501(c)(3) organization EIN 74-2418048, so your donation is tax deductible.

The event proceeds will help offset the cost of Wildlife Projects and Youth Ranch improvements. The Wildlife Project has had over 380 youth receive their Hunters' Education Certificates. In October we had 25 members become CPR certified. We have toured a Deer Ranch, had Texas Parks and Wildlife Youth Hunt speakers, Texas Brigades speakers, and hope to continue to educate our youth in many Wildlife areas.

We greatly appreciate your donation. If you have any questions or need further information, please call or text 210-854-3201 or email colleenking372@gmail.com.

On behalf of Helotes 4-H children and the Helotes 4-H Wildlife Project, thank you for assisting us to **"Make The Best Better"**.

Sincerely,

Gary and Madelyn Schott, Helotes 4-H Wildlife Project Leaders

Colleen and Shawn King, co-chairs 3D Archery
